EDUCATION IS NOT THE LEARNING OF FACTS, BUT THE TRAINING OF THE MIND TO THINK.

— ALBERT EINSTEIN

It’s easy to do nothing, to just let life happen and figure it out as you go. But choosing a path—creating a vision of your future and seeing it through—takes guts. And that’s something Bryant & Stratton College students have in common, which is why we developed Career LifePrep®, an approach offered exclusively to our students, to help guide you on the path to your future.

How about you? What’s your vision?

Career LifePrep® can help you get there.
THE FUTURE DOESN’T COME WITH GPS.

MAP YOUR OWN DESTINY AT BRYANT & STRATTON COLLEGE ONLINE.

We offer more than 25 online programs in a wide variety of areas of study, including business, technology, legal, healthcare and early childhood education. Many of our academic programs are offered at various credential levels, including certificate, diploma, associate degree and bachelor’s degree.

We also offer plenty of flexibility and guidance along the way. You may start in an online diploma program and then decide to continue for a two- or four-year degree. Whatever you need, Bryant & Stratton College Online will help you get the most out of your college experience.

WE SUPPORT YOUR SUCCESS FROM DAY ONE!

We’re so committed to preparing you for success that we created Career LifePrep®—a unique, four-part approach exclusively designed to help you today, tomorrow and into your new future.

We’ll help you determine your best career direction and the most direct way to reach your goals, as well as provide you with specific coursework and coaching on the extra skills employers look for, like good communication and problem-solving abilities. And that’s not the end of it. Even after graduation, all Bryant & Stratton alumni are welcomed back at any time for career support and ongoing continuing education!

CareerLifePrep® Path maps your best career direction based on your interests and skills. Then we help you make a plan to reach your goals.

CareerLifePrep® Pro teaches those extra skills employers look for—like the ability to problem solve, collaborate and communicate effectively.

CareerLifePrep® Plus is our commitment to providing ongoing support long after graduation.

CareerLifePrep® Team is made up of industry professionals that help you navigate the academic process and find your way to a fulfilling job and life.

At Bryant & Stratton College Online, our reputation for going above and beyond to support our students is well-deserved, and our helpful financial aid staff is the perfect example. As part of the Career LifePrep® Path, your financial aid advisor will guide you through each step of the process, including applying for financial aid, to help ensure you are taking advantage of all financial aid resources available to you, fully preparing you for a better life.

**SCHOLARSHIPS**
Many scholarships are available at Bryant & Stratton College. Eligibility is dependent on a number of factors, ranging from academic performance and early acceptance to specific programs of study and military status.

**GRANTS**
Our financial aid office will help you determine your eligibility for federal grants, institutional grants and other applicable state grants. Check with your financial aid advisor to determine all available options.

**LOANS**
There are a variety of student loan options to learn about, such as federal direct loans. Students may also be able to secure private loans through banks and other financial institutions.

ONLINE EDUCATION

ONLINE EDUCATION SERVICES

CAREER DIRECTION
Prospective students start their journey with a one-on-one consultation with an admissions team member to determine their interests and skills, their best career direction and the most appropriate academic path.

ACADEMIC SUCCESS COACHES
No matter what part of life you’re in, making the transition to college life can be a challenge. In your first semester you will be assigned an Academic Coach, who will work closely with you on how to manage your time, plan for tests and discover how you learn best.

ACADEMIC ADVISING
In your second semester you will be introduced to your Academic Advisor, who will be with you until you graduate. They will answer questions and address concerns regarding in-class activities, and will provide assistance with registration for future semesters.

TECHNICAL SUPPORT
Get tech support via phone or 24 hours a day through live chat.

TUTORING SERVICES
Our free, real-time, 24/7 online tutoring service is available to all students. Called SMARTTHINKING, it provides help in math, accounting, economics, statistics and biology. With the connected Writing Lab, you can also submit assignments and receive feedback within 24 hours.

ONLINE LIBRARY
Your research sources are just a click away, with a vast collection of books, journals, newspapers and magazines from leading databases.

ONLINE BOOKSTORE
Order your textbooks from the Bryant & Stratton College bookstore, making the process efficient and quick.

ONLINE LEARNING = FREEDOM

Attend class wherever and whenever you have web access, giving you 24/7 educational freedom.

Online classes are scheduled in two, seven-and-a-half week sessions run within a traditional 15 week semester, with three semesters a year. That means you have the potential to complete your regionally accredited degree sooner—allowing you to achieve your career goals earlier.

Bryant & Stratton College’s online instructors are industry leaders who have relevant, real-world experience and are accomplished in online learning and course delivery, which is the key to helping you develop your skills and enhance your academic success.
YOU’RE NEVER ALONE. UNLESS, OF COURSE, YOU WANT TO BE.

WE’VE GOT YOUR BACK
At Bryant & Stratton College Online, you’ll be fully immersed in creating the future you want. And you’ve got a team to support you. Every staff member, from the admissions office to the classroom, is involved and invested in helping you realize your dreams. With our Career LifePrep® approach (exclusive to Bryant & Stratton College students), we’ll be your champions, cheerleaders and support system.

OUR ADVISORS DO MORE THAN ADVISE
We do something you might not expect from a college advisor. We listen. A lot. We listen to your goals. We listen to your challenges and concerns. We listen to your successes. Because even though we’ve worked with thousands of students, we’ve never worked with you. So we don’t pretend to know what’s right for you until we’ve really listened to what you have to say.

“From the moment you contact us, you will begin meeting your personalized support team, starting with your admissions representative, who will stay with you from the first anxious phone call all the way to your very first class. Each time you call in, you’ll know that your personal admissions rep will know your specific needs.”
– ROBYN, DIRECTOR OF ADMISSIONS - ONLINE

“Student Services is another key part of your support team. You’ll have coaches and advisors with you from application to graduation. We are there to congratulate you on the successes as well as help you through any struggles. We’re here for you, whatever you need.”
– JENNIFER, DEAN OF STUDENT SERVICES - ONLINE

“Want to go to college but not really sure how to pay for it? Your financial aid team is here to answer your questions! We will prepare a personalized financial plan so that you understand how you can pay for college. We’re here to support your financial needs every step of the way.”
– DESIREE, FINANCIAL AID DIRECTOR - ONLINE
AREAS OF ONLINE STUDY

FIVE AREAS OF STUDY, WITH OVER 25 DIFFERENT DEGREES AVAILABLE

Online degree programs follow the same outcomes and curriculum as the campus-based programs, but with the added flexibility and convenience of 24/7 online availability. Students can expect the same personal touch and support as provided by our campus faculty and staff.

Credits earned in Online classes at Bryant & Stratton College are the same as credits earned in campus-based classes at Bryant & Stratton College.

The broad background provided by the Early Childhood Education programs at Bryant & Stratton College gives graduates the opportunity to pursue a career with childcare centers, Head Start programs, child development programs, early intervention programs and public education classrooms.

A career in education provides the opportunity to connect and make a lasting impression on students of all ages. Bryant & Stratton College’s Early Childhood programs are the first step toward a career in this rewarding field. The Early Childhood Education associate degree and Early Childhood Care & Development diploma give graduates the skills and framework necessary to work with children in developmental settings. Students are prepared to work with children from infancy to middle-childhood in a program that aligns with NAEYC standards and the CDA credential.

The Council for Professional Recognition has specific requirements for the Child Development Associate credentialing process in addition to the formal education components included in these programs. A career in the field of Early Childhood Education may involve meeting certain licensing, training and other requirements that can vary by vocation and state. Bryant & Stratton College recommends all applicants check with the licensing agency in their state for specific requirements. A career in the field of Early Childhood Education may involve meeting certain licensing, training and other requirements that can vary by vocation and state. Bryant & Stratton College recommends all applicants check with the licensing agency in their state for specific requirements.

The enrolling applicant has been apprised of these matters and enrolls in this program with full understanding of the same.
