

Stay connected on the go

Bryant & Stratton College is rolling out Office 365, giving you access to your email, calendar, and contacts from virtually anywhere--with a familiar experience on the devices you use most. The switch to Office 365 will begin on August 15. You will receive additional information regarding this change prior to the change.

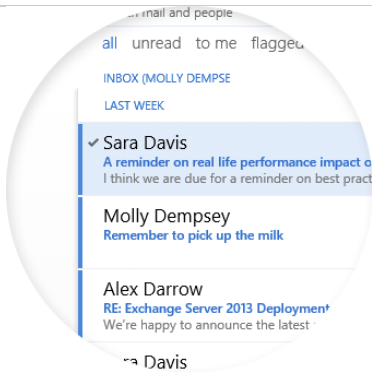

Discover Office 365 

Do more with email

You need email that's simple and powerful. Now you'll have 50 GB of storage for all of your messages and the ability to share mailboxes with others.

Take control of your inbox

Stay focused on what's important. With easy visibility to the messages that matter most, you can actually use your inbox to get work done.
