SCHOLARSHIPS and GRANT PROGRAMS — NEW YORK STATE

Academic Excellence Scholarships

Tuition scholarships are awarded at most Bryant & Stratton College campuses on a competitive basis. These scholarships are available to recent high school seniors, adult learners, online learners, and Bachelor Degree Program students. Refer to the scholarship chart for the specific criteria. The examinations are held throughout the academic year at Bryant & Stratton College and other locations. For more information regarding dates and criteria for a variety of academic excellence scholarships that are available to you, please call your local admissions department.

Awards are based upon academic promise and the quality of materials submitted to the Scholarship Committee. Scholarships may be awarded contingent upon the application submittal and acceptance deadline set forth in the scholarship to a Bryant & Stratton College degree program. An award can be used at any campus location during the awarded school year(s) and is not transferable for use by any other person. Scholarships may be renewable for each semester that the recipient continuously attends, maintains satisfactory academic progress, a GPA of 3.0, and adheres to the College's regulations and policies as outlined in the Official Catalog. Scholarship awards cover all or part of the cost of full-time tuition (12-18 credit hours per semester). All other costs such as college fees, books, supplies and proficiencies are paid in full by the student.

Bryant & Stratton College requires scholarship recipients to apply for federal and state grants. Any funds awarded under such grant programs be applied first toward the student's tuition. The Bryant & Stratton College Scholarship will then be applied to any remaining tuition balance. The value of any scholarship will not exceed the cost of tuition after the amount of state only grant award(s) has been applied.

Scholarships are funded proportionally on a consecutive semester basis without interruption over the scholarship award period. Should circumstances warrant other consideration, only the Campus Director may grant approval.

Matching Scholarships

Bryant & Stratton College will match the dollar value of any scholarship awarded to any student from a professional organization with a valid academic scholarship program. The organization cannot be affiliated with Bryant & Stratton College. Organizations, typically 501(c)(3)s, may include but are not limited to unions, civic or fraternal groups, philanthropic societies, educational entities, and local or national professional groups and business firms. Scholarships from private or public businesses must be reviewed and pre-approved by the College. The focus of the review will include history of the program, past award amounts, award criteria, breadth of eligible award recipients and potential annual total award amounts. Scholarships provided to employees of public or private businesses must include eligibility criteria in addition to employment to be eligible for a matching scholarship. Internal College-specific scholarships are excluded from the matching program.

The dollar value will be applied towards tuition up to the full value of the scholarship that qualifies the student for this program, and in no instance will the amount exceed the total tuition for the program in which the student originally enrolled. The value of the scholarship will not exceed the cost of tuition after the amount of state grant awards has been applied. Bryant & Stratton College Matching Scholarships are funded on a consecutive semester basis without interruption over the award period identified by the granting agency.

Documented proof of the organization's academic scholarship program must accompany the Bryant & Stratton College Matching Scholarship application and must include written and specific eligibility criteria and/or conditions for awarding scholarship funds. Documentation should be submitted no later than two weeks prior to the start of classes.
**Early Acceptance Scholarship Program**

The Bryant & Stratton College campuses can award one-time scholarships of $500 each to students who complete the entire enrollment process by a deadline predetermined and specified by the local scholarship committees at each campus.

To be eligible for the award a student must:
- Meet with an admissions representative for a personal interview to determine program selection;
- Complete an application for enrollment in the spring or fall semester;
- Submit an essay that addresses these questions:
  - "Why are you interested in Bryant & Stratton College?"
  - "Why are you the best candidate for the scholarship?"
  - "How do you plan on using your Bryant & Stratton College education?"

The selection of winners will be based on the highest evaluation scores and the strength of the application as determined by the Admissions Committee.

**Residence Life Award**

*(Syracuse Campus Only)*

A maximum of 40 Residence Life Awards are made available each year by competition to recent high school seniors who plan to live in the campus dormitories while attending the Syracuse campus.

1. Applicants must meet the minimum entrance requirements outlined in the Bryant & Stratton College catalog
2. Complete a Residence Life Award application
3. Submit a completed financial aid form

The Residence Life Award can be used for room charges only and is worth up to $500 per semester. The award is funded for each semester of enrollment up to six semesters of full-time, consecutive enrollment. The students receiving grants must maintain full-time status and a 2.0 cumulative average in a Bryant & Stratton College Associate Degree Program.

### Bryant & Stratton College Grants
Bryant & Stratton College grant programs are needs-based programs designed to assist students in meeting the cost of tuitions and fees. The programs are administered on a first-come, first-served basis for eligible students. Student eligibility for a grant is determined when the student is packaged for financial aid. The total amount of grant and all Title IV funds cannot exceed the total cost of tuition and fees. Certain institutional grants will be disbursed to the student’s account during the last week of the term. Please see your campus financial services office for additional information.
SCHOLARSHIP and GRANT PROGRAMS - OHIO

Bryant & Stratton College Academic Excellence Award (AEA)

This scholarship is awarded by Bryant & Stratton College each year to high school students who demonstrate academic excellence and are interested in continuing their achievements in a program offered at Bryant & Stratton College. Each of the three Cleveland campuses makes available a full-tuition scholarship.

Scholarships are paid out over four semesters provided the recipient maintains consecutive semester enrollment, a GPA of 3.20 or better in an associate degree program, and adheres to all policies as outlined in the academic catalog.

High school students who are scheduled to graduate from an accredited high school and who have achieved a cumulative high school grade point average of 3.20 are eligible to apply.

All applicants must submit a scholarship application, a writing sample, two letters of recommendation, and participate in an employer interview process. Bryant & Stratton College requires that award recipients apply for state and federal grants and that any funds awarded under such grant programs be applied first toward the student's tuition. The Bryant & Stratton College Academic Excellence Award will then be applied to any remaining tuition balance. Additional information and applications are available in high school guidance offices and Bryant & Stratton College admission offices.

Matching Scholarships

Bryant & Stratton College will match the dollar value of any scholarship awarded to any student from a professional organization that has a valid academic scholarship program. The organization cannot be connected with Bryant & Stratton College. Organizations, typically 501(c) (3) s, may include but are not limited to unions, civic or fraternal groups, philanthropic societies, educational entities and local or national professional groups and business firms. Scholarships from private or public businesses must be reviewed and pre-approved by the College. The focus of the review will include history of the program, past award amounts, award criteria, breadth of eligible award recipients, and potential annual total award amounts. Scholarships provided to employees of public or private businesses must include criteria in addition to employment to be eligible for a matching scholarship. Internal College-specific scholarships are excluded from the matching program.

The dollar value will be applied towards tuition only up to the full value of the scholarship that qualifies the student for this program, and in no instance will the amount exceed the total tuition for the program in which the student originally enrolled. The value of the scholarship will not exceed the cost of tuition after the amount of state grant awards has been applied. Bryant & Stratton College matching scholarships are funded on a consecutive semester basis without interruption over the award period identified by the granting agency.

Documented proof of the organization's academic scholarship program must accompany the Bryant & Stratton College matching scholarship application and must include written and specific eligibility criteria and/or conditions for awarding scholarship funds. Bryant & Stratton College matching scholarship applications are available through the admissions office at each Bryant & Stratton College campus. Applications should be submitted no later than two weeks prior to the start of classes.

Bryant & Stratton College bestows Academic Awards annually to high school students who demonstrate academic dedication and enroll in one of the College's programs. Each Ohio campus has an $8,000
scholarship fund. Scholarships are dispersed over four semesters provided the recipient maintains consecutive semester enrollment, a minimum GPA of 2.50 in an associate degree program, and adheres to all policies outlined in the academic catalog.

High school students who are scheduled to graduate from an accredited high school and who have achieved a cumulative high school grade point average of 2.50 are eligible to apply. Additional information and applications are available through high school guidance offices and from Bryant & Stratton College admissions offices.

Bryant & Stratton College requires that award recipients apply for state and federal grants and that any funds awarded under such grant programs be applied first toward the student's tuition. The Academic Award will then be applied to any remaining tuition balance.

All applicants must submit a scholarship application, a writing sample, two letters of recommendation, and participate in an employer interview process.

**Bryant & Stratton College High School Articulation Scholarship**

To show support of high schools in their articulation efforts and to help high schools promote their articulation programs, Bryant & Stratton College has created an Articulation Scholarship program. The high schools are awarded the $500 Articulation Scholarship. The high school administration will select the student(s) who will receive the scholarships) according to the high school's own selection criteria. As students are awarded the scholarships, the high school official (principal, teacher, counselor) will submit the name of the student to the Director of Admissions of Bryant & Stratton College and a formal scholarship certificate will be prepared.

**Early Acceptance Scholarship Program**

The Bryant & Stratton College campuses can award one-time scholarships of $500 each to students who complete the entire enrollment process by a deadline predetermined and specified by the local scholarship committees at each campus.

To be eligible for the award a student must:
- Meet with an admissions representative for a personal interview to determine program selection;
- Complete an application for enrollment in the spring or fall semester;
- Submit an essay that addresses these questions:
  - "Why are you interested in Bryant & Stratton College?"
  - "Why are you the best candidate for the scholarship?"
  - "How do you plan on using your Bryant & Stratton College education?"

The selection of winners will be based on the highest evaluation scores and the strength of the application as determined by the Admissions Committee.

**Bryant & Stratton College Bachelor Degree Articulation Scholarship**

Awarded to graduates from an accredited college (to include Bryant & Stratton College graduates) with an associate degree. The value of the scholarship is $1,000 and the graduates are chosen by a scholarship committee. The student must have earned a cumulative grade point average of 2.50 and plan to attend as a full-time matriculating student.
Ohio College Opportunity Grant (OCOG)

Ohio residents attending a Bryant & Stratton College campus in Ohio may be eligible for this grant. Grants are available to full or part-time students and are based on a student's Effective Family Contribution (EEC) which cannot exceed $2,190 for the 2011-2012 aid year. Students can receive an award ranging from $48 to $480 per year, limited to 10 semesters of any combination of state, need-based grants (OCOG and 01G).

Technical Challenge Scholarship

Awarded to students who participate in the Bryant & Stratton College Technical Challenge. To be eligible the student must attend a school that participates in the Technical Challenge Competition, submit an application, essay, a letter of recommendation from your team coach and have a high school cumulative grade point average of 2.50 and plans to attend as a full-time matriculating student. The recipients of the award will be selected by a panel of team coaches and Bryant & Stratton Administrators.

Jump Start Scholarship

Awarded to High School Seniors who have completed the Ohio Jump Start Program and who enroll for either June or September term, the Jump Start Scholarship can range from $750-$1,500 for one term only. Students must have perfect attendance in their Jump Start class and/or and A average for their completed Jump Start course.

Certain institutional grants will be disbursed to the student's account during the last week of the term. Please see your campus financial services office for additional information.
SCHOLARSHIP and GRANT PROGRAMS – VIRGINIA

Academic Excellence Scholarships

Tuition scholarships are awarded at most Bryant & Stratton College campuses on a competitive basis. These scholarships are available to recent high school seniors, adult learners, online learners, and Bachelor Degree Program students. Refer to the scholarship chart for the specific criteria. The examinations are held throughout the academic year at Bryant & Stratton College and other locations. For more information regarding dates and criteria for a variety of academic excellence scholarships that are available to you, please call your local admissions department.

Awards are based upon academic promise and the quality of materials submitted to the Scholarship Committee. Scholarships may be awarded contingent upon the application submittal and acceptance deadline set forth in the scholarship to a Bryant & Stratton College degree program. An award can be used at any campus location during the awarded school year(s) and is not transferable for use by any other person. Scholarships may be renewable for each semester that the recipient continuously attends, maintains satisfactory academic progress, a GPA of 3.0, and adheres to the College's regulations and policies as outlined in the Official Catalog. Scholarship awards cover all or part of the cost of full-time tuition (12-18 credit hours per semester). With the exception of the Online Career Stimulus Scholarship, all other costs such as college fees, books, supplies and proficiencies are paid in full by the student.

Bryant & Stratton College requires scholarship recipients to apply for federal and state grants. Any funds awarded under such grant programs be applied first toward the student's tuition. The Bryant & Stratton College Scholarship will then be applied to any remaining tuition balance. The value of any scholarship will not exceed the cost of tuition after the amount of state only grant award(s) has been applied.

Scholarships are funded proportionally on a consecutive semester basis without interruption over the scholarship award period. Should circumstances warrant other consideration, only the Campus Director may grant approval.

Matching Scholarships

Bryant & Stratton College will match the dollar value of any scholarship awarded to any student from a professional organization with a valid academic scholarship program. The organization cannot be affiliated with Bryant & Stratton College. Organizations, typically 501(c) (3) s, may include but are not limited to unions, civic or fraternal groups, philanthropic societies, educational entities, and local or national professional groups and business firms. Scholarships from private or public businesses must be reviewed and pre-approved by the College. The focus of the review will include history of the program, past award amounts, award criteria, breadth of eligible award recipients and potential annual total award amounts. Scholarships provided to employees of public or private businesses must include eligibility criteria in addition to employment to be eligible for a matching scholarship. Internal College-specific scholarships are excluded from the matching program.

The dollar value will be applied towards tuition up to the full value of the scholarship that qualifies the student for this program, and in no instance will the amount exceed the total tuition for the program in which the student originally enrolled. The value of the scholarship will not exceed the cost of tuition. Bryant & Stratton College Matching Scholarships are funded on a consecutive semester basis without interruption over the award period identified by the granting agency.

Documented proof of the organization's academic scholarship program must accompany the Bryant & Stratton College Matching Scholarship application and must include written and specific eligibility criteria and/or conditions for awarding scholarship funds. Documentation should be submitted no later than two weeks prior to the start of classes.
Early Acceptance Scholarship Program

The Bryant & Stratton College campuses can award one-time scholarships of $500 each to students who complete the entire enrollment process by a deadline predetermined and specified by the local scholarship committees at each campus.

To be eligible for the award a student must:
- Meet with an admissions representative for a personal interview to determine program selection;
- Complete an application for enrollment in the spring or fall semester;
- Submit an essay that addresses these questions:
  - "Why are you interested in Bryant & Stratton College?"
  - "Why are you the best candidate for the scholarship?"
  - "How do you plan on using your Bryant & Stratton College education?"

The selection of winners will be based on the highest evaluation scores and the strength of the application as determined by the Admissions Committee.

Internal College-specific scholarships are excluded from the matching program.

The dollar value will be applied towards tuition up to the full value of the scholarship that qualifies the student for this program, and in no instance will the amount exceed the total tuition for the program in which the student originally enrolled. The value of the scholarship will not exceed the cost of tuition after the amount of state grant awards has been applied. Bryant & Stratton College Matching Scholarships are funded on a consecutive semester basis without interruption over the award period identified by the granting agency.

Documented proof of the organization's academic scholarship program must accompany the Bryant & Stratton College Matching Scholarship application and must include written and specific eligibility criteria and/or conditions for awarding scholarship funds. Documentation should be submitted no later than two weeks prior to the start of classes.

Bryant & Stratton College Grants
Bryant & Stratton College grant programs are needs-based programs designed to assist students in meeting the cost of tuitions and fees. The programs are administered on a first-come, first-served basis for eligible students. Student eligibility for a grant is determined when the student is packaged for financial aid. The total amount of grant and all Title IV funds cannot exceed the total cost of tuition and fees. Certain institutional grants will be disbursed to the students' account during the last week of the term. See your financial services office for additional information.
