

# **GRADUATE AGREEMENT BETWEEN BRYANT & STRATTON COLLEGE AND STRAYER UNIVERSITY**

## **PURPOSE**

This agreement is designed to create a seamless pathway for students to move from a bachelor's degree program at Bryant & Stratton (B&S) College to a master's degree program at Strayer University (SU).

## **ELEMENTS OF THE AGREEMENT**

### **A. Admissions**

1. This agreement applies to SU's Master of Business Administration, Master of Science, Master of Education, and Master of Public Administration. It does not apply to SU's Executive Master of Business Administration in the Jack Welch Management Institute.
2. SU will grant graduate admission to the programs outlined in number 1 above to students with a B&S bachelor's degree if they provide satisfactory performance in at least one of the following:
  - a. A 2.75 undergraduate grade point average on a 4.0 scale. This requirement may be calculated by using the cumulative undergraduate GPA or the last 22 courses completed toward the bachelor's degree.
  - b. Graduate Management Admission Test (GMAT)—minimum acceptable cumulative score of 450 on the GMAT taken within last five years.
  - c. Graduate Record Examination (GRE)—minimum acceptable cumulative score of 1000 on the GRE taken within the last five years.
  - d. Evidence of graduate potential. In addition to the above, special consideration may be given to applicants who do not meet the GPA requirements but show graduate potential and have a minimum of three years of professional or business experience. A personal interview with the Academic Advisor is required.
3. B&S applicants must meet the same admissions criteria and prerequisites as other SU applicants and are subject to all SU policies and procedures. Candidates who have not earned degrees from appropriate fields of study or who do not meet professional experience requirements may be required to take additional coursework (undergraduate/graduate) as a prerequisite for completing the program. Program prerequisites will be determined during the evaluation process.
4. Students are subject to all policies and procedures, including residency requirements of SU, as outlined in the SU catalog and student handbook.
5. B&S students will be exempt from paying the SU application fee.
