**WOMEN’S SOCCER**

**Head Coach - Ines Herovic**

Bryant & Stratton women’s soccer team played Niagara Community College this past Thursday and defeated them 3-1. All three goals were scored by Argell London which were assisted by our incoming freshman Nicolette Weir. On Saturday the lady bobcats had a home game against Mercyhurst North East from Pennsylvania. The first half was rough due to the field conditions and B&S was down 3-0 by the end of first half. Once the 2nd half started the lady bobcats started to play their game and scored two goals, both by Argell London which were assisted by Chanelle Ranglin. Unfortunately, we could not tie up by the time the 2nd half ended. It was a great second half and we will continue to play like that this Tuesday, October 23rd, at Mercyhurst again.

**CROSS COUNTRY**

**Head Coach - Kevin Kelly**

The BSC Bobcats competed in the CNY Challenge this past weekend. Hosted by SUNY-ESF, the meet also included cross town rival OCC. The reigning USCAA National Champions, ESF, showed their dominance in convincingly winning the men’s 2.5 mile event. However, Frosh Jonathan Celaya continued to be a shining star for the Bryant & Stratton team as he finished 12th overall with a fast time of 13:47. The season ending race will be Saturday October 27th at Proctor Park in Utica. This is the NJCAA Division III Regional Championships.
